

Free activities for all audiences at the beach of ses Figueretes, with the aim of giving visibility to the Posidonia and its biodiversity.

An event that joins the World Cleanup Day 2019, with cleaning actions on the beach and the coast.

A tribute party to the meadow of Posidonia, in the year in which the 20th Anniversary of the declaration of World Heritage by Unesco is celebrated.

With the participation of: Fishermen's Association of Ibiza and the Servei d'Educació Ambiental of the GEN-GOB Eivissa; Center for the Recovery of Marine Species of the Aquarium of Cap Blanc (CREM), Tursiops, Amics de la Terra, Ibiza Stop Plastics and the Arquiteca, along with other entities and environmental groups of Ibiza, in addition to the Association of Neighbors of ses Figueretes, restaurants and artistic proposals linked to the 'Viu la Posidonia' program.

With the collaboration of Agua KmZero.

*Each workshop starts at the time marked in the program, but continues throughout a playful day in which all activities are open to the public and free, within a party that celebrates the 20th anniversary of the declaration of World Heritage.

*Each person, family or group can participate in as many workshops as they wish throughout the day.

*Children and adults who participate in the workshops will receive an Ibiza Posidonia t-shirt as a prize, with which they will have priority in gastronomic tastings.

10.15-19.30 Environmental workshops

10.15 Gen-Gob Eivissa workshop: Citizen Science Project 'Plastic 0'

You can learn how marine pollution by plastics affects marine fauna, human health and the environment and participate in the project that is being developed by GEN-GOB Eivissa, in collaboration with the Higher Council of Scientific Research, to make a diagnosis of our beaches.

10.30 Amics de la Terra Eivissa workshop: "Dóna vida a la mar" (Give life to the sea)

Game for children and adults, with explanations about the impact of plastics in the sea and how to recycle waste or avoid them.

10.45 Workshop "Suerte de la Posidonia" (Luck of the posidonia)

Posidonia was traditionally used in country houses as insulation. Silvia Sánchez, creator of the Arquiteca, proposes a workshop where participants can take charms full of luck and protection provided by the millenary plant.

11.00 Environmental workshop 'Peix Nostrum' Posidonia

The Fishermen's Association of Ibiza invites you to know the species that inhabit the marine environment of the Posidonia and the work that fishermen on the island do, as protectors of the sea.

11.15 Eivissa Posidònia Game: What do you know about the Posidonia?

Brenda Fatecha, a biologist from Ibiza who has participated in the activities of 'Viu la Posidonia', is the author of the website www.posidoniaoceanica.com, which contains her final degree work at the Autonomous University of Barcelona. For this event, she proposes the game "what do you know about Posidonia?", Through which the participants will be able to discover keys and curiosities of the gigantic submerged forest, a World Heritage Site.
